

CONKER

GAME RULES:

Conker is the fruit of the horse chestnut , which players tie for the rope and take turns throwing conker - s . The opponent chooses the height of holding a conker , and then have three attempts to hit it . They achieve that by swinging rope on which the conker is - and the shooting freehand . Players take turns hitting each other conker - s . The winner is the player with more hits or until one of Conker is destroyed .

PRAVILA IGRE:

Conker je plod divljeg kestena, kojeg igrači svežu za uže pa naizmjence gađaju conker-e. Protivnik bira visinu držanja conkera, a zatim imaju tri pokušaja da ga pogode. To postižu njihanjem špage na kojoj su conker-i i gađanjem slobodnom rukom. Igrači se izmjenjuju udarajući jedni drugima conker-e. Pobjednik je igrač s više pogodaka ili dok jedan od conkera nije uništen.
